## **How do I participate?**

**Twenty-three teams of five bowlers each will compete in 2 games for prizes (third game is optional). Prizes for best costume, highest scoring & highest earning teams.**

**Teams are encouraged to dress in costume based on a creative theme.**

**You can choose to either start your own team and elect a team captain, or join another team (if you don't have a team we can connect you with one). Each team (5 players) is encouraged to raise \$1000 in pledges (\$200/person-think of it as \$20 from 10 friends). Players get pledges in 2 ways: donation per pin knocked down or as a flat rate donation. \*Many companies will match donations—ask your employer.**

**All tax deductible donations will help the Center for Cancer Support and Education continue to provide free support groups and low cost wellness programs for cancer patients, family members and healthcare professionals**

**Suitable for families! Free shoe rental, bowling, fun music and food!
